M230i Desktop

Versatile label printing

The **M2**30i 4" and 6" desktop printers offer a convenient solution for either printing labels for hand application, or as a back-up to integrated print and apply systems. Ideal for producing case, carton, tray or pallet labels, **M2**30i DTP 100 & 150 provides a reliable, robust and easy to use system.

Easy to operate - simple operation and unrivalled capability

- Clear monitoring & control with optional **TouchPanel** colour user interface
- Easy navigation and operation with intuitive **QuickStep** software
- Minimum downtime with tool-free magnetic printhead mounting system & expanding ribbon mandrels

Lower Total Cost of Ownership – reduced cost and increased efficiency

- Increased printhead life
- Lower material wastage with full label coverage allowing optimum label size
- Increased uptime with fast consumable and print head changes

Improved performance - sets the standard for efficiency

- 600m ribbon & label roll capacity within a compact footprint
- Increased print speed for reduced cycle times
- Supply chain compliance with full GS1 coding capability at high resolution including bar codes, text and graphics

Domino. Do more.

Benefits of the **M230i DTP**

- Flexible multi-purpose solution
- Accurate & consistent print position
- Easy and fast consumable changes
- Industrial robust design
- Compatible with standard Domino **QuickDesign** label software
- Ideal as a back-up printer

Optional **QuickStep** User Interface

For effortless control and status reporting **QuickStep** is our unique, simplified operator interface that gets the printer into action quickly and simply.
No complex menus or parameters, just enter the job and away you go.

- Quick access to favourite menus and settings via large user-friendly icons and customisable home screen.
- Easy, prompted input of data into label templates.
- Speed up changeovers and help eliminate coding selection errors with simplified Message Store and live WYSIWYG preview.

DTP100   DTP150

Technical Specification

Print technologies:	Thermal Transfer
	Optional: Direct Thermal or Label only
Print resolutions:	12 dots/mm (300dpi)
	Optional: 8 dots/mm (200dpi)
Label sizes:	Up to 165 x 600mm
Communication:	2 x RS232, 1 x USB 2.0, Ethernet
Interface:	31 inputs (PNP), 21 (NPN)
	+ 10 (relay) outputs
User interface:	Graphical display with 25 languages
Overall Dimensions:	DTP100: 690 x 242 x 465mm
	DTP150: 690 x 297 x 465mm
